THE NEW MODEL PUBLICATION SCHEME (2009)**

_____ /.

CHAIR

- B Greenodd footpath update** – Councillor Malcolm reported that the footpath has been agreed by the landowners and that no more paperwork had to be completed. There will be a fence put in place and members of the public will be able to walk to the end of the path exiting at the bridge.

711 CALC (Cumbria Associations of Local Councils)

- A** Next meeting 6th March 2014 – Councillor Grave attending

712 PLANNING

With regard to recent planning application from Thor Atkinson (SL/14/0101), Councillor Hadwen pointed out that there were several discrepancies on the application form. It was noted that these issues would be brought up by the planning department. There was a discussion regarding the application and it was agreed that the Parish Council should write and point out that the road cannot take any more traffic. The original road is built on peat.

Resolved: Clerk to respond to Planning Department

713 LOCAL AREA PARTNERSHIP

- A Update from meeting held on 23rd January 2014** – Councillor Malcolm reported that there was nothing at the meeting that concerned our parish. There was a discussion regarding health and a study that had been carried out at Elm Hurst where by the outcome was that medication had been halved. Councillor Malcolm mentioned that in the future there may be some dementia training available through LAP.

714 PARISH COUNCILLOR REPORTS

- A Councillor Hadwen – Arrad Bridge/Newland Beck** – Councillor Hadwen reported that Arrad Bridge is falling down. It is currently owned by the Parish Lands Trust. Councillor Ireland pointed out that the Parish Lands Trust is aware of the bridge and work will be carried out in due course to repair it.
Extra items discussed at the meeting: Councillor Campbell reported that there may be a contribution needed from the Parish Council to repair the car park but most of the cost would be covered by Highways Department. There was also a discussion regarding parish street lights. There has been no response regarding the Croft light therefore it was agreed that a metre should be fitted with the possibility of looking at LED lighting. It was also agreed that Councillor Campbell would arrange a meeting with the County Council lighting engineer to discuss options.

Resolved: Clerk to write to the owners of the Croft and ask if the Parish Council could arrange to have a metre fitted and Councillor Campbell to arrange meeting with County Council lighting engineer.
