Public Discussion re Planning Application CCC 5/18/9008 'Land Improvement' at Newland

A number of members of the public raised their concerns with regards to this application. The main concerns were that the A590 is already a busy road which is narrow, and has a history of being a black spot for road traffic accidents. There is a potential for more accidents and noise to occur as there will be an increase of vehicles using the road both during the day and night. Further concerns were raised around the possible demolition of the barn which is situated adjacent to the road and some of the trees. Members of the public felt that there are still some questions which have not been answered. Letters of concern have been submitted by individual members of the public to planning department. The Parish Council had conducted an onsite visit and had concerns also which will be reported back to Planning Department.

Action: On-going

1092: Matters arising from the Minutes

1. Access to Crake slipway as Byway open to all traffic

A member of the public requested an up-date of the situation. Cllr Brian Campbell informed the Council that both he and Cllr Carson had attended a site meeting on 6th June with the Rights of Way officer, and they agreed that the situation was difficult, but that it is progressing and hopefully, a way forward will be found.

Action: on-going

2. Repair work to Greenodd bus stop

Cllr Brian Campbell is dealing with this matter and has informed us that repairs have been agreed.

Actions: Cllr Brian Campbell to liaise with Mr Stevenson regarding work and materials etc

3. Greenodd lighting

Cllr Brian Campbell explained that this is ongoing. When the work takes place the footpath will be required to be closed for two days. Members of the public will need to use the road

Action: on-going work due to be completed by October 2018. Notices to be erected to notify the public

4. Broughton Beck phone box/defibrillator

Some work is required for the inside of the telephone box. Cllr Howard Graves has sourced new parts required. Members approved the sum of £147.98 including VAT to be paid.

Actions: Cllr Howard Graves to order materials and request payment from the Clerk, S.Benson, Cllr Howard to draft an article which could be sent to the press, Parish magazine and entered onto the website

5. Speeding at Spark Bridge.

Email and photos had been received from Sarah Mammatt and Jan Faulkner. Children from Penny Bridge School have drawn pictures which it has been suggested could be used in Spark Bridge to discourage speeding.

Action: members approved payment of these approx 150 pounds. Cllr Brian Campbell to sketch a plan on how they are to be erected and submit to Cumbria Highways. Cllr Jane Carson to complete actions from previous meeting

6. Rosside lease transfer.

Cllr Jane Carson reported that she had received a helpful letter from Hart Jackson Solicitors, enclosing a map and copies of various legal papers referred to in his letter. The allotments in this area belong to a separate Trust, and it is the area with the garages which the Parish Council is seeking to transfer ownership from the old Osmotherly PC to the combined ENMO PC. As suggested by Mr Hart Jackson, she will contact the Legal Department of SLDC as the next step to be taken.

Actions: on-going

7. Rosside solar power installation for phone box –update.

Cllr Brian Campbell reported that there has not been much progress

Action: On-going

8. Broughton Beck Notice board:

Cllr Howard Graves provided members with some designs for a new notice board, and proposed a new position for it to be placed. Members approved payment of £1232.88 (including VAT and installation)

Actions: Cllr Howard Graves to request payment when required, and to discuss installation with Highways prior to ordering

9. Greenodd Village Welcome sign:

Cllr Brian Campbell reported that he had contacted Highways England department and the piece of land actually belongs to them. Separate business signs are not permitted, although a generic sign could be displayed for local businesses. At present Parish Council have a contract for cutting the grass

Actions: Cllr Campbell asked councilors to look out for similar signs in the area

1093. Parish Inspection:

Cllr Jane Carson apologised for cutting the inspection short on 3rd July, due to the rain.

Spark Bridge: There was a discussion with members of the Spark Bridge Village Hall Committee regarding Spark bridge playground: details were provided of the owner of the allotment adjacent to where the playground is being proposed, and the committee suggested the removal of some trees to make room for the car park to be made bigger. The Parish Council would be the owner of the playground and as such would be the responsible body for any on-going costs. A new picnic bench has been requested. £900 has been raised for the defibrillator which is to be installed at Spark Bridge, the total cost is £1600. Members agreed that the parish council will provide the short fall. Discussion on where the defibrillator will be installed – in the bus shelter or possibly in a red phone box if one could be sourced. Members agreed to repair the bench just inside the entrance to the green area

Action: Please can members contact Cllr Jane Carson if there are any outstanding items, which can be added to the next meeting

Members agreed that a letter should be written by chairman, to owner if they would consider selling.

Cllr Anne Burrows to contact the playground committee to feed back outcomes

Members agreed that S.Benson, should look at the cost of purchasing a picnic bench

The Parish Council had also visited the sites of two Planning Applications: CCC 5/18/9008 and SL/2018/0464

1094. Highways:

Details have been provided by members highlighting any issues with the white lines and pot holes

Actions. All issues to be collated and assembled in one document by the Clerk and sent on

1095. Website:

ENMO website has been updated. AGAR forms have now been uploaded onto website as required. Data protection information has been added which Liz Clement has supported with

Actions: Request that all members look at website and feed back at next meeting. Members agreed that Cllr Jane Carson, Cllr Brian Campbell and S.Benson should attend training session with Liz Clement which would be funded by Parish Council

Actions: date to be arranged

1096. LAP report:

<p>Cllr Sheila attending meeting on 5th July Actions: Cllr Sheila to feed back at next meeting</p>
<p>1097. CALC Report. Cllr Peter Taylor has not received any minutes of the meeting Actions: Cllr Peter Taylor to request minutes and bring to next meeting</p>
<p>1098. Tour of Britain 2018 This will be taking place on 8th September, and will be passing by Broughton Beck. As this is a fast and dangerous section of road, it was not considered sensible to organise a demonstration of support for the race. Actions: Cllr Howard Graves to advertise event by placing flyers in area</p>
<p>1099. National Park Boundary: Cllr Jane Carson reported that she and Cllr Campbell had had a meeting with the Parish Co-ordination Group. A document from this group has been emailed out to all members. The Parish Co-ordination Group will be holding a meeting in September (the exact date yet to be decided) to discuss the possibility of National Park boundary changes. All councillors are welcome to attend. Cllr Carson pointed out that this group is a self appointed one, and consists of parish councils to the north of the Duddon Estuary who had originally come together to fight against the imposition of the stated route for the new electricity supply from Sellafield. Actions: On-going</p>
<p>1100. Planning: CCC5/18/9008 land improvements at Newlands. There has been a large response from members of the public who disagree with plan as previously discussed Action: see previous notes Cllr Campbell to write to the CCC Planning Authority on behalf of the PC SL/2018/0417 Roof over feed area, High farm, Arrad foot.
