This will need to be formally registered and will bring this within the combined Parish Council's public liability insurance.

Update on restoration of telephone kiosk at Rosside/ new notice board

Parish Council agreed at the last meeting on 3rd May 2022 to instruct a local joiner to fit and replace door (estimate £1440) Once completed the community needs a willing working party to paint and maintain kiosk.

One of the Rosside residents questioned whether the parish council would pay for the materials required to further restore the phone box once the repairs organised and paid for by the Parish Council were completed.

It was discussed that this issue could be discussed once a working party had been formed.

The Parish Council propose two new notice boards

- 1) Tarn Close (exact location to be agreed)
- 2) Rosside to replace an existing smaller notice board (subject to the agreement of the owner of the wall to which it will be situated)

Type and size of both boards to be agreed.
